MEMORANDUM FOR LIEUTENANT GENERAL DANIEL O. GRAHAM, USA
DEPUTY TO DIRECTOR, CENTRAL INTELLIGENCE
FOR INTELLIGENCE COMMUNITY

Subject: Intelligence Information Handling Committee (U)

1. (S) As we have agreed, the need for close coordination between our staffs on varied subjects is apparent. One such area in which we participated jointly is discussed and analyzed in USIB Intelligence Information Handling Committee Test Report on Video Voice dated 1 February 1974. I am highly interested in high quality video communications within the Washington area as it relates to and supports the NMCC mission, and particularly the newly directed National Nuclear Targeting and Attack Policy.

2. (U) In this regard, I support the continued efforts of your IHC staff in coordination with other interested agencies to develop a capability which will meet the needs of the local operations - intelligence community. LCOL Donald G. Kopp, USAF, 462-44-2145, WWMCCS Plans and Requirements Division, telephone Oxford 5-7156, will act as my representative to the IHC Working Group.
